

Office of Inspector General

U.S. International Development Finance Corporation

February 17, 2022

Subject: Audit Announcement – U.S. International Development Finance Corporation's compliance with the *Federal Information Security Modernization Act of 2014* (FISMA).

FISMA requires Federal agencies to have an annual independent assessment performed of their information security program and practices to determine the effectiveness of such programs and practices and report the assessments' results to the Office of Management and Budget (OMB).

We have engaged an independent audit firm - RMA Associates - to conduct this audit subject to OIG oversight.
