Excluded activities include lending to entities engaged in categorically prohibited activities or activities likely to have a significant adverse impact on the environment.
Worker Rights	OPIC’s statutorily required standard worker rights language will be supplemented with provisions concerning the right of association, organization and collective bargaining, hours of work, and the timely payment of all wages. Loans to MFI borrowers will be restricted with respect to the MFI borrowers’ operations, including the employment of minors and other applicable labor law requirements. Standard and supplemental contract language will be applied to all workers of the Project.
