

**Public Hearing of the DFC Board of Directors  
Wednesday, June 9, 2021  
2 PM**

**Agenda**

**I. Opening Remarks**

**II. Oral Presentations**

**5 min**      **Kate DeAngelis**  
International Finance Program Manager  
Friends of the Earth U.S.

Subject: DFC's net zero by 2040 target

**5 min**      **Caroline Vesey**  
Program Manager  
Bank Information Center

Subject: DFC's project disclosure requirements and how these policies compare to what the US requires at the MDBs it participates in vis a vis the Pelosi Amendment. BIC advocates that DFC align its policies with the Pelosi Amendment, which requires the MDBs to provide project documents and an appropriate environmental assessment if a project has significant environmental impacts 120 days before a vote.

**5 min**      **Juan Pablo Orrego**  
President  
Ecosistemas

Subject: Ongoing concerns related to OPIC/DFC investment in Chile's Alto Maipo Hydroelectric Project

**5 min**      **Carla García Zendejas**  
Director, People, Land & Resources  
Center for International Environmental Law (CIEL)

Subject: Ongoing concerns related to OPIC/DFC investment in Chile's Alto Maipo Hydroelectric Project

**Written Submissions Received:**

Coordinadora Ciudadana No Alto Maipo, Ecosistemas, and the Center for International Environmental Law (CIEL)

Topic: Ongoing concerns related to OPIC/DFC investment in Chile's Alto Maipo Hydroelectric Project
