

**Public Hearing of the DFC Board of Directors
Thursday, December 7, 2022
2 PM**

Agenda

I. Opening Remarks

II. Oral Presentations

5 min

Kate DeAngelis
International Finance Program Manager
Friends of the Earth

Subject: Social and environmental safeguards for supporting critical minerals projects

5 min

George Ingram
Senior Fellow
Brookings Institution

Subject: De-risking development finance

5 min

Caroline Vesey
Program Manager
Bank Information Center

Subject: Concerns around the client for the Golomoti JCM Solar project in Malawi due to past GBV harms associated with its subcontractor in the Salima Solar project, supported by IDA, MIGA, and FMO. Has DFC done additional due diligence or implemented preventive measures around this project and client?

Written Submissions Received:

George Ingram, Senior Fellow, Brookings Institutions
Topic: De-risking Development Finance
